

# Teeing Off on Cancer

9/22  
2018

## 11th Annual Golf Classic at McGregor Links

### WE NEED YOUR SUPPORT

**Teeing Off on Cancer Golf Classic** is an annual mixed golf event that unites community members in the fight against cancer.

Over the last decade, *Teeing Off on Cancer* has raised more than \$375,000 for the fight against cancer. With those funds, we are spreading hope by delivering hands-on support and services to patients and loved ones, and saving lives by assisting in the funding of groundbreaking research.

This year's event is **Saturday, September 22nd** at the beautiful **McGregor Links in Wilton, NY** and will benefit the **Catie Hoch Foundation**.

We will not be able to continue the success of this event without your support. Come out and golf. Join us for the Fore and After Par-Tee. Be a sponsor. Give in kind. Send gifts for the auction or raffle. Anything that you can do will be a tremendous assist in our game winning shots to eradicate cancer from the lives of our loved ones.

Sincerely,  
Your *Teeing Off on Cancer* Executive Committee

### CATIE HOCH FOUNDATION

The **Catie Hoch Foundation** is dedicated to helping children while they are in treatment for cancer. Established seventeen years ago, the foundation has raised well over \$1 million.

Far too many children in our area are being diagnosed with cancer. A child's cancer diagnosis is devastating and the strains on the family are enormous—emotional, physical and financial. Because we know first-hand what these families are going through, we are able to meet the needs that are not met by other means. So when a child in your community is diagnosed with cancer, the **Catie Hoch Foundation** can and does help by making mortgage or rent payments, paying for utilities, helping with insurance co-pays and “adopting” families during the holidays. Because we are an all-volunteer organization, every dollar raised goes to helping children, and their families, while they are in treatment, and supports research efforts to find a cure.

### CORPORATE PARTNERS WANTED

We are constantly looking for local and national businesses that are willing to join us as we try to lessen the burden for families battling childhood cancer. Please reach out to **Patrick Swan** or **Gina Peca** if you have ideas on how we can continue to increase our corporate involvement.
